National Science Day (28.02.2022)

India celebrates National Science Day on 28th February every year to commemorate the discovery of the Raman Effect. Sir CV Raman discovered the effect in 1928 and was awarded the Nobel Prize in Physics in 1930. National Science Day is celebrated across schools and other educational institutes to spread the message of the importance of science in daily life. On this day, light is shed on efforts and achievements in the field of science and dialogue is held on implementing new technologies. In 1986, the National Council for Science & Technology Communication (NCSTC) asked the government of India to mark February 28 as National Science Day. National Science Day was first celebrated on February 28, 1987. The NCSTC also founded the National Science Popularization awards to recognize the outstanding efforts in the area of science. For 2022, the theme is ‘Integrated Approach in Science and Technology for a Sustainable Future’. The National Science Day 2022 aims to motivate the students to gain hands-on experience in the field of science and technology.

Science society of our college celebrated ‘National Science Day’ on 26th February 2022 due to retirement party of a staff member on 28th Feb. The event started with the welcome speech by the student of B.Sc. Final Year at 11:00 am. Chief guest Dr P.P. Chauhan, Principal, Govt. P.G. College Saraswatinagar and other faculty members Dr Lalita Rawat, Vice Principal and Dr Poonam Mehta, senior faculty member were also present to encourage our students. All the science faculty members, lab assistants and students were invited to witness the program. Keeping in the view the protocols of Covid-19 students and staff members of other departments were not invited. Then the students were briefed with the objectives and purposes of the celebrating National Science Day. The judges for the competition were Prof Goverdhan Chauhan (Maths Dept.) and Dr Radha Raman (Physics Dept.). The program included posters, model, power point presentations, speech etc. based on theme of the day. The competition started with Power Point Presentations. Seven students participated in this PPT competition. Then speech was conducted in which only four students took part. After this, Mr Amit Negi, ex-student of B.Sc. Medical and presently BCA student in our college presented his working model on DRONE and explained its mechanism and functioning through PPT. It was an eye catcher to all. Later on judges viewed all the posters displayed on the wall. Students were very excited and worked very hard throughout the event. They presented themselves very well and confidently. The chief guest then delivered a motivational and inspirational speech to our students. He explained how science and technology is useful in day to day life and how it is making life easier. In his presidential remark he appreciated the efforts of the Eco Club students for making this event a grand success. He emphasized that hard work is the only key to achieve success in the life. Dr Lalita Rawat also motivated our students with her words. Meanwhile judges compiled the result and Dr Radha Raman, judge of the event, announced the result and prizes were distributed to the winners by our chief guest. The refreshment was also distributed to the students and the teachers. The program ended with vote of thanks by Dr Punam Chauhan.

REPORT OF WOMEN GRIEVANCE/ SEXUAL HARASSMENT & REDRESSAL CELL

Introductory Program (04.10.21)

‘Women Grievance/ Sexual Harassment & Redressal Cell’ of the college organized an introductory program with the girls on 04th October 2021 in the college hall at 1:00 pm. Around 163 girls were present during this program. The Convener of the Women Cell, Dr Poonam Mehta welcomed all the girls in the new session and introduced all the girls with the members of the Women Cell. She briefed the students with the aims and objectives of the Women Cell in the college. Dr Lalita Rawat, Vice Principal of the College was invited to interact with the girls and to aware the girls about health, hygiene, sanitation, nutrition, sexual harassment or other abuses and their legal rights. She put light on Vishakha Guidelines which were instituted by Supreme Court of India in the Year 1997. These guidelines are a set of guidelines that were intended to protect women at workplace. She also talked about some women helpline numbers like 1091 which can help the girls during odd or unfavourable situations. After this, students were asked to give their names for the President and Vice President of the Women Cell for the active functioning of the cell. Later, the meeting was kept open for all the girls to share their views/problems/queries. Girls actively participated and asked various questions regarding their health and sanitation. At the end of the program, Dr Poonam Mehta thanked the speaker of the day, Dr Lalita Rawat, members of the women cell and all the girls present during the program. The session ended on a very good note.

International Women's Day (08.03.2022)

Every year across the globe ‘International Women’s Day’ (IWD) is celebrated to commemorate the achievements of the women, raise awareness against gender bias and take action for equality. The objective of this day is to create a better gender neutral society. Keeping in view the same objective, ‘Women Grievance/ Sexual Harassment & Redressal Cell’ of our college also celebrated ‘International Women’s Day’ on 08th March 2022. The theme of IWD, 2022 was ‘Gender equality today for sustainable tomorrow’ and the campaign was ‘Break the Bias’. The event was witnessed by Dr Lalita Rawat, Vice-Principal of the college as a chief guest, Dr Divya Rawat, BAMS, as a Resource Person and Mrs Rajma Nalwa, Mr Virbhadra Lolta and Mr Pratap Dhanta, Health Supervisors for Haemoglobin test from the Hospital, Sawra. The event was organised under the supervision of Dr Poonam Mehta, Convener, ‘Women Grievance/ Sexual Harassment & Redressal Cell’ of the college. Around 120 girls along with female staff members were present. All the other units of the college like NSS, NCC and Rovers & Rangers also actively took part in the accomplishment of the program.

The program started at 12:00 noon with the welcome cum introductory speech by Dr Punam Chauhan, member of Women Cell, who explained the theme of the day and talked on the history of the IWD. It was continued with the speech of the Resource Person Dr Divya Rawat on ‘Health & Hygiene’. She explained and touched every single issue related to female like menstrual cycle, sanitary pads/tampons/menstrual cups, hormonal changes, personal hygiene, role of Hb in the blood, health issues related to menstruation like leucorrhoea, irregular periods etc. Girls actively took part in making this session interactive by asking their doubts to the doctor. It was an enlightening session for the girls as they came to know several new things of which they were unaware before. Meanwhile, the health supervisors started Hb testing of the girls. Only 23 girls were able to undergo Hb testing due to shortage of testing kits. Rest of the girls was told to go to the hospital for their Hb test. Girls were emphasized to spread the campaign of IWD ‘Break the Bias’ in the society. Dr Lalita Rawat, chief guest of the day, talked on gender equality with respect to the sustainable future and role of women in mitigating the climate changes that is the most vulnerable to it. Dr Poonam Mehta, convener of the Women Cell, encouraged the girls to come forward in every field and take a stand for themselves and to feel equal to the males, as to make a society both males and females are equally required and females play a pivotal role in nurturing the society. Later, fruits were distributed among the girls and the program ended with the vote of thanks.

With this main objective of the day was fulfilled by spreading awareness among the girls about the gender equality, health & hygiene and role of Hb in the blood. Girls were motivated to be confident, self accomplished, break the bias and to think about themselves.
