REPORT OF NATIONAL WEBINAR

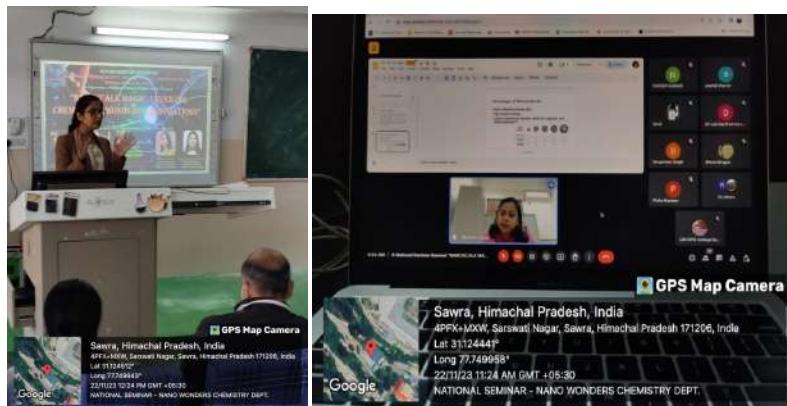

REPORT ON NATIONAL WEBINAR ON PLASTIC POLLUTION & AWARENESS (04.11.2023)

A National Webinar themed “**FROM POLLUTION TO SOLUTION: CONFRONTING THE PLASTIC MENACE**” was organised by Dr. Shallu, Assistant Professor, Department of Chemistry, LBS Govt. Degree College, in collaboration with the IQAC, NCC, NSS, R&R and ECO Club of the college. Dr. Sanjiv Arora, Professor (Former Chairperson), Department of Chemistry, Kurukshetra University, Kurukshetra, India, was invited to deliver a popular lecture entitled, ‘**Know Your Plastic: Be Plastic Prudent**’ on **4th Nov’23 (Saturday)**, 11:00 am onwards. The Webinar witnessed an overwhelming response from more than 150 participants both via offline as well as online mode from different states of our country including Punjab, Haryana, U.P., Mumbai, Chandigarh etc. Dr. Sanjiv Arora being a personality of International Repute with an experience of more than 32 years & over 85 international research publications, had also been a member of NAAC peer team and the convenor of many other dignified research associations. Dr. Sanjiv Arora has recently started an awareness programme against plastic pollution by giving lectures to school and college students. His talk on this burning topic definitely proved to be a brilliant way for sensitizing our students as well as the staff members as everyone got aware about the types of plastics, their harms and the efficient methods to deal with them. Our students started to work on his idea just after the lecture and accumulated a lot of single use plastic materials in bottles for their recycling. The webinar was followed by an awareness rally to strengthen this drive against plastic pollution by sensitising the local people and thus our society. So, overall it was a great effort and a much needed step forward in dealing with the Plastic Menace and saving our environment as well as Mother Earth.

REPORT ON NATIONAL SEMINAR, “NANOSCALE MAGIC: UNVEILING CHEMISTRY'S WONDERS AND INNOVATIONS”

A National Seminar (Hybrid Mode) themed “NANOSCALE MAGIC: UNVEILING CHEMISTRY'S WONDERS AND INNOVATIONS” was conducted by the Department of Chemistry, Lal Bahadur Shastri Government Degree College, Saraswati Nagar, Shimla-171206 on 22nd Nov'23 (Wednesday) 11:00 am onwards. Dr. Shallu, Assistant Professor, Chemistry was the Coordinator as well as one of the Resource Persons of the event. Dr. Moitree Laskar, Lecturer, Indian Institute of Science Education & Research (IISER), Mohali, was invited as a Resource Person via Online Medium. Her topic of presentation was ‘The History & Future of Nanotechnology’. She is a person of excellence with a research experience of more than 14 years & over 11 research publications of international repute. She has obtained her M.Sc. degree from IIT Guwahati and Ph.D. Degree from Indiana University, USA. Currently she is serving and actively engaged in research at IISER, Mohali. So, her talk on this ‘Current Topic’ was definitely a brilliant way for sensitizing our budding scientists towards ongoing research innovations. Thereafter, the seminar was conducted in a Physical Mode where a paper was presented by Dr. Shallu on the topic “NANOTECH MARVELS: FROM LAB TO LIFE CHANGING APPLICATIONS”. In this lecture Dr. Shallu talked about the most fascinating innovations of nano science which have already been commercialized and have taken an inseparable place in our lives such as Nano-silver based antimicrobial refrigerators, washing machines, air-conditioners, vacuum cleaners, water and air purifiers, super-light & huge memory space smart phones, computers etc. She also enlightened the students about the ventures of nanotechnology into the textile industry self-cleaning fabrics with anti-microbial and antibacterial activities, the invention of the Intelligent Materials and the incorporation of flexible nano-circuits into the Smart Clothing. She also gave a peep into the amazing sci-fi inventions such as Invisibility Cloaks, Power Combat Suits, Robust Sports Gear etc. She also poured light on the applications of Nanotechnology in Medicinal, Agricultural and Food industries, Genetic Engineering, Targeted Drug Delivery for the treatment of cancer and other fatal ailments, etc. The students were amazed and surprised at the same time as they were really unaware that they are almost every day using the innovations which are the result of tedious day & night research efforts of the scientists working on nanotechnology. Dr. Shallu also made the students familiar with the recent claim of some genetic engineers about the deathless life by 2045, where death would become an optional and a rare phenomenon occurring either due to accidents or some natural disasters. Thereafter, the stage was taken over by Dr Lok Raj Sharma who gave an enlightening talk about the research methodology & techniques for the preparation and end-use of nano materials. He also shared his personal research experience with the students. The seminar was concluded by Dr. Shallu with a message that ‘Science and Knowledge’ come along with bigger ‘Social as well as Environmental Responsibilities’ where we as the science community must be aware of the benefits and limitations associated with any technology in use.

This number has increased in HP from the last Year which is a matter of concern. In H.P. first case of HIV was detected in the Year 1991 in Hamirpur. She also told about toll free helpline number for any kind of enquiry on HIV/AIDS which is **1097** for India and in H.P. it is **104**. She talked about different websites like www.sacshp.org, www.nacoonline.org and www.teachaids.org which can prove helpful to anyone to clear their doubts and get information about AIDS. She elaborated various schemes provided by H.P. Govt. to the affected/infected people. She motivated everyone to download a mobile app **NACO AIDS APP** for easy access to know and get awareness about HIV/AIDS. She effectively completed her PPT and conveyed everyone about this syndrome. Mr Rakesh Bhardwaj, from CMO Office, DDU Rippon Hospital Shimla also described about the combination of medicines given under ART and various tests taken for the detection of HIV like ELISA, Western Blot etc. Students also took active part in this presentation by asking several questions and clearing their doubts on this sensitive issue.

After the power point presentation the training ended up at 2:30 pm with National Anthem. Thereafter all the participants moved for the group photograph and then for the lunch and departed from there.

WORLD AIDS DAY (01.12.2023)

On 1st December 2023, World AIDS Day was celebrated in the LBS Govt Degree College, Saraswati Nagar, by Red Ribbon Club in association with NSS, NCC and Rovers and Rangers.

World AIDS Day is observed annually on December 1. This is a chance for people all over the world to come together in the battle against HIV, to support those who are living with HIV, and to remember those who have passed away from an AIDS-related illness. Even while HIV continues to be a serious public health concern that affects millions of individuals globally, the global HIV response is at risk. Numerous lives are at stake as a result of the recent stagnation in HIV objective progress and resource depletion. HIV became and continues to be a global health epidemic due to a number of shortcomings, including division, inequality, and contempt for human rights.

World AIDS Day 2023 is being marked under the theme '**Let Communities Lead**' means the world can end AIDS, with *communities leading* the way. The purpose of celebrating this significant occasion of World AIDS Day is to raise awareness and combat the HIV/AIDS pandemic with collective efforts and unite in the global fight against this devastating disease and to strive for a world free from the stigma and impact of HIV/AIDS. Together, we can make a lasting impact on the lives of individuals and communities affected by HIV/AIDS.

All the science students were present. Dr Punam Chauhan, Nodal Officer, Red Ribbon Club conducted various competitions during the event like Power Point Presentation, Slogan Writing, Poster Making and Rangoli Making competitions. REPORT OF ECO CLUB

PRESIDENT: MS TANISHA SHARMA (B.SC II)

WORLD ENVIRONMENT DAY (05.06.2023)

On the 5th June 2023, Eco Club celebrated ‘World Environment Day’. The aim of the event was to increase awareness among students about the importance of the environment and need to protect it. This year the theme of the ‘World Environment Day’ was ‘Solutions to Plastic Pollution’ so, Eco Club decided to clean the college premises and Hatkoti Temple area. Also an online quiz was conducted to spread awareness about the environment. Since, colleges were closed due to summer vacation only few students could gather to celebrate it. Cleanliness started from the college campus and then students moved to Hatkoti Temple. Students picked up all the trash and plastics from these said areas and put them in the dustbins. Everyone was performing his duties diligently and enthusiastically. Meanwhile the link of the online quiz was shared with the all the class groups and time limit of 20 minutes was given to complete it. A total of 66 students participated in the quiz. The questions of the quiz were based on environment and its related topics. The purpose of this small activity was to inculcate the sense of responsibility in our students towards the nature and well being of the ecosystem. With this the event came to an end on a positive note.

TREE PLANTATION DRIVE (09.08.2023)

Tree Plantation was organized in the college by Eco Club, Red Ribbon Club, NSS, NCC & Rovers & Rangers units of the college on 09th August, 2023. The site for the tree plantation which was selected a forest above the Himfed office in Sawra Kainchi. All the units along with their unit in charges moved to the location at 12:30 pm from the college. Principal of the college, Dr P.P. Chauhan and senior faculty members of the college, Dr Lalita Rawat and Dr Poonam Mehta actively took part in the tree plantation drive. Ms Kiran, Forest Guard, Sawra Range also accompanied us during the plantation drive. Students were very excited and moved with slogan recitation related to trees and its usages and flagged the banners of their units during the procession. After reaching the site of tree plantation, all the units chose their areas of tree plantation and started digging for the saplings to plant. Principal Sir and the teachers also planted saplings with the students of various units and motivated the students with their active presence. Ms Kiran kept guiding and telling students about the plantation processes, and maintenance of the saplings and their need for the human. Principal Sir also put light on the need of this tree plantation drive with his valuable words. It took about three hours to complete this task. After this all the students and teachers came back to the college and gathered in the college hall for the refreshment. A total of 75 saplings of Deodar tree were planted by all the units of the college. Students were excited and enthusiastically participated in this event. There were nearly 150 students and out of which 30 students of Eco Club were present during this event and made it a great success.

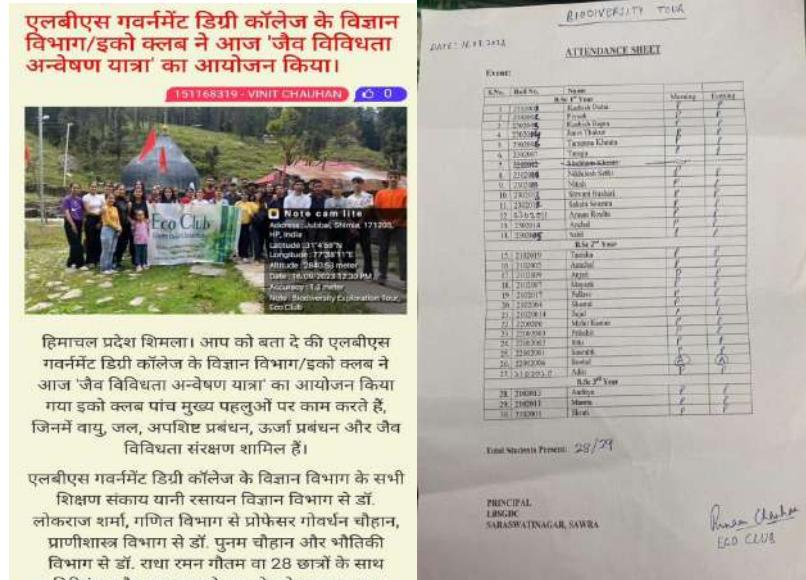

BIODIVERSITY EXPLORATION TOUR (16.09.2023)

A Biodiversity Exploration Tour was organized by Science Dept./Eco Club of the college on 16th September 2023. The site for this was chosen Giri Ganga. Giri Ganga is a very beautiful and mesmerizing place hidden near Kharapathar in Tehsil Jubbal. It is 30 Km away from Sawra and it is very less crowded and full of nature. There is an ancient temple, a holy lake around the temple and there are no concrete buildings nearby. The temple is situated in the middle of a dense but beautiful jungle. From the Giriganga temple, there is a trekking trail that goes all the way to the Kuppar peak. So it is the best place for biodiversity exploration.

All the teaching faculty of Science Department i.e. Dr Lokraj Sharma from Chemistry Dept. , Prof Goverdhan Chauhan from Maths Dept., Dr Punam Chauhan from Zoology Dept. and Dr Radha Raman Gautam from Physics Dept. with 28 Science Students started their journey from the college at 10:00 am and reached to the site around 12:00 o'clock. First of all, we visited to the temple and some students took holy bath in the lake. Afterwards we headed to the forest. While trekking in the forest lane, students kept watching the vegetation and the landscape. This is a small alpine valley with pine and deodar forests. After trekking for about two hours we came back to parking area and then move to Khada Pathar for the lunch. Then we came back to college around 3:30 pm. Students were very excited and happy during the trip.

CLEANLINESS DRIVE: EK TAREEKH EK GHANTA EK SAATH ON THE OCCASION OF GANDHI JAYANTI (01.10. 2023)

Gandhi Jayanti, celebrated on October 2nd every year, is a day of profound significance in India and around the world. It marks the birth anniversary of Mahatma Gandhi, Bapu or the Father of the Nation.

Theme of Gandhi Jayanti 2023 “Ek Tareekh Ek Ghanta Ek Saath” was the theme for 2 October Gandhi Jayanti, A national call to action for 1 Hour of citizen-led shramdaan for swachhata on 1st Oct, 2023 at 10 am.

On Sunday, 1st Oct 2023, various Units like NSS/NCC/Rovers & Rangers/Eco Club/Red Ribbon Club of LBS Govt Degree College organised Swachhata Abhiyan based on the theme of Gandhi Jayanti this year. Students of these units along with their Program Officers Prof Pawan Kumar, Prof Preeti Panta and Prof Vijay Laxmi assembled on the college campus and contributed their services. The day started with the pledge and then students with the teachers moved to places chosen for cleanliness. These were Girls Hostel, Sawra Hospital, Main Market Sawra and Hatkoti Temple. Everyone indulged in the cleaning the sites and collecting the plastics and other wastes. Students were very excited and performed their duties diligently. Students who couldn't come to college contributed their Shramdaan in their own villages and cleaned their surrounding areas by sweeping, collecting and disposing off the litter.

NATIONAL WILDLIFE WEEK (02ND OCT -08TH OCT, 2023)

The National Wildlife Week is celebrated from the 2nd to the 8th of October every year in India. This week aims at protecting and preserving India's flora and fauna. Wildlife Week was conceptualized in 1952 with a long-term goal to safeguard the lives of the endangered and threatened species of animals. Keeping this in mind, Eco Club organized a quiz competition on 5th Oct, 2023 in the Room No. 6, in which all the science students (23) took part. Students were divided into four teams and Dr Punam Chauhan and Dr Shallu Dogra conducted the quiz. Quiz was based on wildlife and related articles. The aim of conducting this quiz was to aware students about the wildlife and other burning issues related to it. Quiz was divided into four rounds and each round has four questions for each team. It was prepared in the form of PPT. Students were excited and eager to be part of this. For every correct answer toffees and chocolates were distributed as a reward. Winning teams were given chocolates as a gesture of appreciation.

Winners of the Quiz Competition were:

First Position: Team B (Snehal, Aditi, Mamta, Ritu, Prikshit & Mohit)

REPORT OF IQAC

REPORT OF TWO DAYS FDP/NATIONAL WORKSHOP ON ‘SHARPENING PEDAGOGICAL COMPETENCIES’

Report of Day 1: On May 16, 2024, Lal Bahadur Shastri Govt. College, Saraswati Nagar, hosted the inaugural day of two-day FDP/workshop, entitled "Sharpening Pedagogical Competencies", organized by The Internal Quality Assurance Cell (IQAC) of the college. Dr. Jayanti Dutta (Professor), Deputy Director of UGC-MMTTC/HRDC at Panjab University, Chandigarh, led the workshop as the esteemed resource person. Dr. Dutta, a renowned scholar with an extensive experience in training over 5000 educators from diverse backgrounds, commenced the day's proceedings with an engaging session. Dr. Shallu (Assistant Professor Chemistry & Member IQAC, LBS Govt. College, Saraswati Nagar), the Organizer-cum-Course Coordinator, moderated the first session with an introduction of the guest, while the college's Principal, Dr. P.P. Chauhan, extended a warm welcome to the worthy Resource Person. The workshop drew overall participation of 28 participants from the college faculty, teachers from Govt. PG College, SEEMA and DAV Centenary College, Kotkhai. Dr. Dutta's interactive approach resonated well with the attendees. In a unique activity during the first session, she challenged teachers to draw their portraits using their non-dominant hand, fostering creativity and unconventional thinking. Subsequently, the second session saw four teachers volunteering to deliver five-minute lectures on their respective subjects, followed by analysis and constructive feedback from their peers. Dr. Dutta's discussions delved into the necessity of pedagogical innovation in the era of Artificial Intelligence, incorporating insights from Benjamin Bloom's taxonomy. She emphasized the cognitive, behavioral, and psychomotor aspects of effective teaching, stressing the importance of cultivating the right attitude in students, followed by skill development and knowledge acquisition. Additionally, Dr. Dutta encouraged teachers to identify and leverage their unique strengths in the teaching-learning process, underscoring the significance of personalized approaches in education.

Report for Day 2: The second day i.e. May 17, 2024, of the FDP, "Sharpening Pedagogical Competencies", commenced with a comprehensive review of the previous day's sessions by Assistant Professors Priyanka and Shefali Thanta. Dr. Jayanti Dutta (Professor), Deputy Director of UGC-MMTTC/HRDC at Panjab University, Chandigarh, led the workshop as the Resource Person. The session was highly interactive, with an emphasis on practical applications. Dr. Dutta covered a wide array of topics, including diversity mapping, challenges encountered in classroom teaching, constructing teaching portfolios, employing SWOT analysis, and utilizing case studies to gain insight into students' perspectives. One of the key highlights was the exploration of the differences between andragogy and pedagogy, shedding light on the distinct approaches required for adult learners versus traditional students. Throughout the session, numerous examples were provided to illustrate concepts and strategies, enhancing participants' understanding and facilitating active engagement. The collaborative atmosphere fostered meaningful discussions, allowing attendees to share their experiences and perspectives. Overall, Day 2 of the workshop proved to be enriching and insightful, equipping participants with valuable pedagogical tools and strategies to enhance their teaching practices. Dr. Dutta's expertise and the participatory nature of the session contributed to its success, leaving attendees inspired and empowered to apply their newfound knowledge in their educational endeavors.
