On the recommendations of IQAC of LBS GC Saraswati Nagar, department of English organized remedial classes for slow learners in English in our college. Total 70 students have taken the remedial classes. Focusing on the foundational principles, the session coveredessential grammar rules, sentence structures and paragraph development. Attendees of remedial classes exhibited notable improvement in demonstrating enhanced comprehension and application of grammatical concepts. Writing assignments enabled students to practice and refine their skills fostering better expression. Overall, remedial classes proved beneficial for nurturing the language proficiency in slow learners, providing a solid foundation for future academic session.
